

The Club's coaching is delivered by a mixture of professional ECB qualified coaches and parent volunteers. The Club hosts winter indoor training sessions from January as well as outdoor summer training from April. Experienced coaching provider Supersportz has been selected by the Club as its principle coaching partner for 2019. See [www.supersportz.co.uk](http://www.supersportz.co.uk) for more information. The Club also has links with other ECB qualified coaches for those members who require 1-2-1 coaching.

The Club encourages participation in competitive fixtures.

In 2018, the club entered teams into the Berkshire youth leagues at U9 (x2), U11, U13 and U15.

Friendly fixtures and inter-club games are also arranged to ensure that vital match experience is given to as many players as possible.

The Club also participates in a range of tournaments throughout the season.

The Club encourages its junior members to attend Berkshire County Cricket trials and the Club regularly nominates junior members to attend trials across all age ranges. In 2018, more than 20 junior members attended Country trials of which 12 made it passed the first round of Country selection, eight of which were from the Club's U9 section, more than any other Club in Berkshire within that age group.
