### **Chairman's Notes**

The season went well, and it is great to see the club positioned reasonably in the Thames Valley League (TVL). However, TVL is a more competitive league, and we must adhere to their guidelines and rules. It is a big step for the club, and we aim to continue moving forward. We want to be ambitious and play at a higher standard, which will help us attract good players. Discipline and dedication are key as we progress.

### **Club Officer Confirmation**

There are no changes to the club officers. The same office bearers from last year will continue their duties in 2025.

Please see the club officer details here:

### **Ground Status**

Milworth Lane will not be available for Junior Fixtures in 2025. As a result, we are exploring alternative venues such as Crosfields School and dedicated hybrid pitches at Manor Ground to host junior games.

### **Finance Status**

The financial summary is attached below.

### **Junior Coaches and Coaching**

Some junior coaches have requested to reduce their workload due to other commitments. Action has been taken to set up a meeting in January 2025 to allocate and assign coaches to various categories (SG to organize this meeting).

For summer junior coaching, the club is considering multiple options, including hiring Level 1/2 coaches or a dedicated player/coach. A final decision will be made by the end of January 2025.

## Registration and Match Fees

The registration and match fees will remain the same as last year. Additionally, the club is looking to sponsor shirts for both Adults and Juniors in 2025.
