

Name of Club/Venue: Shinfield CC / Milworth Lane	Name of Risk Assessor: Dan Hare	Date of Risk Assessment: 8th July 2020 Revised 4 th March 2021
--	--	--

Along with government guidelines, the following dates will be used to determine an ongoing and flexible risk assessment.

The current risk assessment is general and will come into place from the 29th March.

29th March: Nets at Millworth Lane will officially reopen. A booking process will be put into place as detailed below. 2m distance should be adhered to at all times during nets. Recreational adult and child grass-root sport can return, including team matches.

The risk assessment will be revised on or before along with government guidelines 12th April, 17th May and 21st June.

What are the hazards	Who might be harmed?	Controls Required	Additional Controls	Action by who?	Action by when?	Completed
Spread of Covid-19 Coronavirus	Staff, members, players and visitors to the club. Vulnerable groups – Elderly, Pregnant workers, those with existing underlying health conditions. Anyone else who physically comes in contact with other people in connected with the club.	All activity to adhere to ECB guidance and the Government guidance regarding health, social distancing and hygiene. Identification of 'risk areas' and ensuring appropriate measures are in place. Areas include: <ul style="list-style-type: none"> • Car park • Nets • Group coaching • Toilets • Public on the rec • Administration of first aid 	To help reduce the spread of coronavirus (COVID-19) reminding everyone of the public health advice - https://www.publichealth.hscni.net/covid-19-coronavirus/covid-19-information-public Continue to monitor government guidance and public health advice. Arrive ready to play If marquees are used, marquee area to be used as changing area if required. Cars, not clubhouse to be used as shelter if raining 		On Going	

COVID-19 PLAN FOR JUNIOR & OPEN-AGE CRICKET

APPLICABLE TO PLAYERS, VOLUNTEERS, SPECTATORS, PARENTS, CLUBS, COACHES & OFFICIALS IN ENGLAND

This document provides measures that should be taken by players, clubs, and officials before, during and after all cricket activity.

For all activity, UK Government social distancing guidance should be adhered to at all times. This document refers to current **plan for England** and could change in response to the current COVID-19 Government roadmap out of lockdown or other UK Government Guidance.

BEFORE ACTIVITY

- Check for symptoms of COVID-19. If you have symptoms of COVID-19, have tested positive for COVID-19, have had contact with someone with COVID-19 and/or you are otherwise required to self-isolate (and in each case, you have not completed the required self-isolation period), you should not attend the cricket activity and must follow NHS and PHE guidance on self-isolation: <https://www.nhs.uk/conditions/coronavirus-covid-19/symptoms/>
- Follow UK Government guidance on shielding and protecting people who are clinically extremely vulnerable from COVID-19 if it applies to you.
- Personal hygiene measures should be carried out at home before and after cricket activity.
- Bring your own hand sanitiser where possible and practise strong hand hygiene at all times.
- Follow UK Government guidance on public transport or car sharing.
- Clubs must display an official NHS QR code poster, so that participants, staff and other visitors can 'check in' using this option as an alternative to providing their contact details
- Use of the clubhouse, changing rooms and toilets should adhere to the latest UK Government advice.
- For advice on reducing the risk of infection when outside your home please visit the 'Staying Safe Outside Your Home' pages on gov.uk.
- Club representatives should ensure that the facility is compliant with current UK Government legislation including legislation and guidance related to COVID-19. A risk assessment should have been completed and risk mitigation measures put in place and monitored.
- During all cricket, an attendance register is required which includes contact details for contact tracing if required.
- Any participants who have been asked to isolate by NHS Test and Trace must not exercise outside of their own home or garden and must not exercise with others.
- Clubs should strictly limit the time spent congregating at a venue before activity begins. Meet-up times should reflect this. Participants should arrive changed and ready to begin if possible.

DURING ACTIVITY

- Participants enter the site and prepare whilst maintaining social distancing.
 - Limit the sharing of equipment, but if you do share, practise strict hand hygiene.
 - No sweat or saliva is to be applied to the ball at any time.
 - Hand sanitizer to be used at all breaks in activity and prior to any food or drinks.
 - Cricket activity must take place outdoors only.
- Additional advice for match-play:
- Players to remain socially distanced at all times (wicket keepers & slip fielders at 1m+).
 - Umpires are not to handle the ball at any point of the game, leaving it at the stumps during breaks.
 - Batters to clean their bat when leaving the field of play.
 - A 'hygiene break' should take place every six overs or every 20 minutes and should include hand sanitisation and the cleaning of the ball.
 - Bowlers should not hand anything to the umpire.
 - Only one official allowed inside the scorers' box.
 - Social distancing must always be maintained including during celebrations and breaks.
 - The ball must be immediately returned to the bowler, not passed between players.
 - Batters are to run in distinct running lines to ensure they are not within 2m of the bowler or other batter. Lanes to be marked on the square.
 - In line with current UK Government guidance, clubs should not prepare food for participants. Individuals should bring their own food and drink for 'teas' or practice. Water bottles or other refreshment containers should not be shared.

AFTER ACTIVITY

- Participants should exit whilst maintaining social distancing.
- Social gathering after the activity is allowed in line with current UK Government guidelines on hospitality. After cricket activity, all individuals must adhere to wider social contact limits and rules.
- One club representative/volunteer should be responsible for collecting and disinfecting shared equipment.
- Regular cleaning of equipment and the facility should take place, particularly between one group finishing, and the next group starting.
- Clubs should encourage all participants to report any infection of their household to the NHS Test and Trace system following use of the facility to limit the spread of the virus.

CRICKET'S RETURN TO PLAY IN ENGLAND

THE COVID RESPONSE ROADMAP

Dates and revisions are subject to change, depending on Government reviews
For more detailed guidance, please go to [www.ecb.co.uk /covid-19](http://www.ecb.co.uk/covid-19)

COVID-19 PLAN FOR JUNIOR & OPEN-AGE CRICKET

APPLICABLE TO PLAYERS, VOLUNTEERS, SPECTATORS, PARENTS, CLUBS, COACHES & OFFICIALS IN ENGLAND

PLAN FOR SOCIALLY DISTANCED CRICKET MATCHES IN ENGLAND

Undergo a personal symptom check at home prior to matches. Stay home and do not take part if you demonstrate any COVID-19 symptoms and are required to self isolate

Use own equipment throughout where possible and clean your bat when leaving field of play

No sweat or saliva is to be applied to the ball at any time. Hands and the ball should be cleaned at all breaks in play and every 6 overs

Players to remain socially distanced at all times (wicket keepers and slip fielders at 1m+)

Use of the clubhouse, changing rooms and toilets should adhere to the latest UK Government advice

Keep a record of all those in attendance at each session, including contact details

Social distancing should be maintained during wicket celebrations and drinks breaks

Batters are to run in distinct marked running lines to ensure they are not within 2m of the bowler or other batter

**THE ABOVE GUIDANCE IS IN RELATION TO OUTDOOR ACTIVITY ONLY,
WHICH CAN RESUME IN LINE WITH LAST YEAR'S APPROVED
GUIDANCE OF 30 PARTICIPANTS**
